

## Comparison framework

Source: Adapted from Grimwade, 2002

Look at two photographs. Use the framework below to describe and compare the main ways in which these two places are similar, different and connected.

**Place 1:**

**Place 2:**

**Name:**

**Source of photo:**

**Name:**

**Source of photo:**

**What similarities can you see between these two places?**

Consider:

- the physical environment (e.g. climate, landscape);
- the built environment (e.g. houses, roads);
- the economic environment (e.g. how people make a living).

Use your existing knowledge to add to your notes.

**What differences can you see between these two places?**

**What connections can you see between these places?**
